Subject FW: Battelle pension change correspondence

I have learned from DOE-ID's Labor Relations that nothing has come DOE-ID's way. So I am forwarding you this for your FOIA consideration and processing. In the meantime I am forwarding this same memo to our CFO and Manager for any potential releasable documents.

Thanks,

Clay O.

Subject: Battelle pension change correspondence

Clayton - Brad Bugger said I should contact you with the following request.

Under the Freedom of Information Act, we request to see all correspondence between Battelle Energy Alliance and the U.S. Department of Energy regarding proposed and potential changes to pension plans and early retirement protocol for Idaho National Laboratory employees.

Please let me know if you need any further information.

Thank you.
