[redacted]

In order to give the mediator the complete background on my case, I would like copies of the following items:

All email exchanges from the [redacted] and [redacted] concerning my email with [redacted] from DOE-ID. Specifically, [redacted].

A copy of my mid-year review that is in [redacted] possession which contains written comments from [redacted] about my email exchange with [redacted]. As you know, [redacted] denied any knowledge of this incident and did so in front of [redacted].

All emails from [redacted] concerning my performance and/or assignment under the reorganization.

I left you a brief message and I had the opportunity to meet with [redacted] today. I expressed my concern about [redacted] being assigned as the Laboratory representative and I believe he is going to think about other solutions. I suggested someone in the LMT more senior to [redacted]. I think this in line with what I mentioned to you. I also mentioned to [redacted] that I would have no problem working with [redacted] in the future.

Thanks!

Subject: Re: Mediation Dates

Dear [redacted]

Thanks for all your help thus far and I'm looking forward to this process. I do want to mention that I am concerned about [redacted] being the individual representing BEA as he is an individual that I listed in my complaint as retaliating against me. [redacted] indicated it shouldn't be an issue, but my preference would be to work with someone in the LMT above [redacted]. Not a show stopper, but I'm shooting for a win-win and I'm apprehensive when I have to deal with someone that I've identified in my 10CFR708 complaint. I do want to mention that I would not have a problem working under [redacted] in the future. I understand this is not my call, but I want my concern noted. I'm confident that the mediator will do a fine job.

Thank you.

Very Respectfully,

[redacted]

Subject: Mediation Dates

[redacted]

Mark Siciliano (who has been on travel -- and, I believe, still is) just called, indicating that he hasn't heard anything regarding next steps for the mediation. I indicated that I believed that we had engaged [redacted] and that we were in the process of trying to nail down a date for the mediation. [redacted] expressed a preference for 2/17 or 2/18. Please work with [redacted] regarding the acceptability of either of these dates.

Also, when I asked [redacted] about whether he had a preference for location of the mediation, he indicated "no". So, I assume you'll establish a location for this mediation in the way you normally do -- which, I assume will be some where here within EROB.

Same comment with regard to time; my only comment is given the fact that [redacted] is coming in from Washington, D.C. and given her rather substantial daily fee, the start time of this mediation should be first thing in the morning, in order to maximize our use of [redacted]
