

This first video explains the history behind, and the future of the U.S. Department of Energy's Environmental Management Program. Through their work, the Environmental Management Program reduces risks, and protects workers, communities, and the environment <http://www.maddash.net/mvp/doe/about/>.

This video is of the Idaho Office of Environmental Management which features employees of the Idaho Operations Office discussing the employment growth opportunities at the U.S. Department of Energy's Idaho Site <http://www.maddash.net/mvp/doe/id/>.
